EDUCATION

Information Technology & Agricultural Engineering (2023 – Present)
Prek Leap National School of Agriculture
Phnom Penh

Hun Sen Krang Srmor High School
Academic Tracks: Grade 10B, 11C, 12C

ABOUT ME

Motivated Information Technology student with a strong interest in software development and web technologies. Experienced in building academic and personal projects using Java, Spring Boot, HTML, CSS, JavaScript, and Bootstrap. Familiar with GitHub and eager to apply technical skills to real-world projects.

PROFESSIONAL & PRACTICAL EXPERIENCE

Academic Project Developer & Team Member

- Collaborated effectively in team environments to design and develop responsive web templates.
- Gained hands-on experience building structured RESTful APIs using Java and the Spring Boot framework.
- Configured and managed MySQL database systems for academic projects, including a school library system.
- Utilized Git and GitHub for version control, code management, and collaborative team workflows.

HANDS-ON TECHNICAL PRACTICE

- Practiced setting up small-scale local area networks (LANs) and provided basic IT support troubleshooting during laboratory sessions.
- Designed user interface layouts and created interactive application prototypes using Figma (UI/UX).
- Explored and integrated basic IoT (Internet of Things) devices and modules with control software.
